

RMG3046 - Luxury Villa for sale in Altea

Luxurious and exotic 6 bedroom villa with a Polynesian touch in a beautiful and private location. Highlights include elegant and spacious interiors, and a superb outdoor pool area.

This elegant villa was designed in traditional Andalusian style around a large, cool, central patio, and also includes a garden and pool area with impressive views over the sea in order to create the exotic, calming feel of a luxury Polynesian or Balinese resort hotel. The luxurious home encompasses an ample 1300 square metres and is situated on a large private plot of 7600 square metres. Owing to the fantastic location, the property enables stunning views of the surrounding countryside, distant mountain peaks and a frontline beach view over the sea.

In the central courtyard there is an ancient olive tree which is a more natural variation to the common Andalusian fountain. However, visually it is equally as powerful. From here, a colonnaded corridor leads to both the living and sleeping quarters.

A covered terrace leads from the parking area to the entrance hall and another leads off to the spacious living room. Just off the entrance is a study and a cloakroom which is also connected to the large kitchen complete with its own independent office, utility room and store room, as well as a bathroom and a maids quarter.

The large living room is split into three areas, one of which contains a billiards table, and there is also a separate dining room. The lounge, which overlooks the garden and pool area, enjoys sea views and leads enables direct access to a large covered terrace, a BBQ area and the garden. This fine home contains six bedrooms, five of which are en-suite, and two of which include a dressing room. The master bedroom suite includes a private dressing room as well as a luxurious bathroom.

The gorgeous pool area is the most impressive feature of this property. This is an area in which you can relax and entertain with style around a lovely swimming pool set within a wooden pool deck. The area also contains a jacuzzi and massage beds. The luxury property enjoys security gates, a private driveway parking area and a five car garage.
